

Dreameria®

daydream

Dreameria® Armeria 'Daydream' is from the new Dreameria® Collection backed by a 20 year breeding program. Boasting masses of large vivid pink, globe-shaped blooms neatly held atop sturdy upright stems. Dreameria® Armeria 'Daydream' is a tightly mounded, dry tolerant plant suited to rockeries and coastal conditions. The vivid pink blooms make for stunning, long lasting cut flower displays. The low maintenance, tough nature of this collection makes it an ideal range for use in contemporary architectural settings to complement the modern home garden, and high traffic public spaces.

FEATURES

- Masses of vivid-pink globe-shaped blooms with main flush in spring
- Tight mound of ornamental evergreen foliage
- Dry and frost tolerant once established
- Wind tolerant
- One of the earliest and brightest flowers of spring

USES

- Plant in the forefront of garden beds
- Low borders and edging
- Beautiful container displays
- Rockeries and coastal areas
- Mass plant for high impact colour
- Cut flowers last well for indoor displays

CARE

Low to medium water requirements, once established. Tolerates dry spells but will appreciate a soak during extended dry periods. Remove spent flower heads to encourage further displays. Fertilise in late winter for optimum results.
