

Begonia foliosa

FANCY PANTS

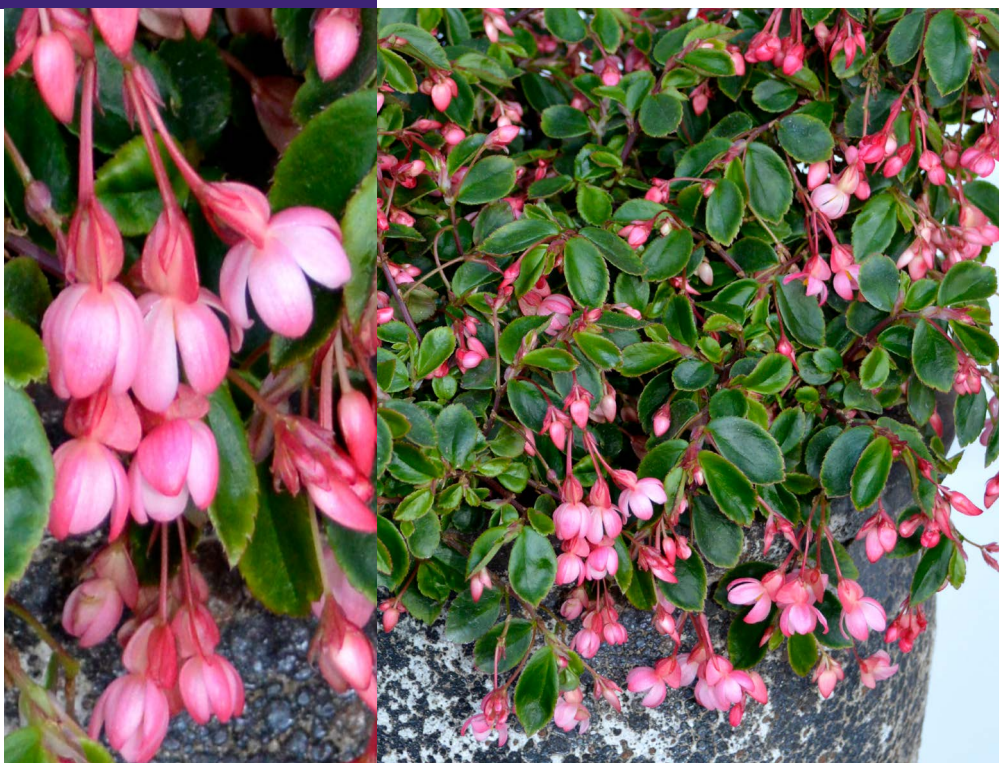

FEATURES

Attractive glossy, deep green foliage year round.

Pendulous sprays of bright pink flowers over many months of the year.

A compact habit ideal for flower borders or large containers.

Easy to grow and fast results.

MY GARDEN SOLUTIONS®

FOR

Bringing colour and interest to low light areas.

Suitable for patio containers or planted into a mixed border.

Ideal for low light areas such as beneath tree canopies and undercover entertainment areas.

Great for small or narrow spaces.

CARE

Performs best in moist, well draining soils.

No pruning is generally required.

Apply a slow release fertiliser during spring for best results.

Protect from frost and very strong afternoon sun.
