Dry and frost tolerant once established.

MY GARDEN SOLUTIONS®

FOR

Adding colour to small or narrow spaces.

Perfect for patio containers or dotted through a mixed garden bed.

Great effects when planted in small groups.

Mass plant for low maintenance areas.

Low growing for informal edging of paths and paving.

CARE

Water when dry for first 6 weeks after planting and regularly in dry weather.

No pruning generally required but a cut back in late winter will encourage a neat habit and fresh colourful foliage.

Apply slow release fertiliser in spring.
