

Unveil the captivating beauty of Frostkiss® Hellebore Elemental, another beautiful addition to the Frostkiss® Helleborus Collection. Its lovely soft pink flowers, with a delightful magenta reverse, create a mesmerising display that is truly unique in the garden. As a winter to early spring bloomer, Elemental brings a burst of colour and joy during the colder months. Thriving in partial shade, this Hellebore is ideal for brightening up shady corners or underneath deciduous or larger trees. With a naturally compact and low-maintenance habit, Elemental is a breeze to care for.

Features

- Masses of upright blooms that sit above the foliage
- Soft pink flowers with magenta-reverse petals
- Compact, neat and evergreen shrub
- Long flowering – winter to early spring
- Marbled foliage

Uses

- Enjoy indoors for up to three weeks* before planting in your garden
- Container/pot displays
- Gorgeous colour for shady nooks
- Small gardens, patios, courtyards or balconies
- Understory plantings – under larger trees and shrubs
- Great border plant
- Perfect for mixed perennial beds and landscapes

Care

Plant in any soil that is well draining. Tidy after flowering by removing old flower heads. Care should be taken to prevent the plant from drying out entirely if growing in containers or full sun. Feed regularly in late autumn and spring with a slow-release fertiliser before and after flowering for best results.

CAUTION: Harmful if eaten/skin irritant

*Performance indoors will vary due to conditions within each environment.
