

Frostkiss® Hellebore 'Tutu' is a cheerful addition to any space, with its unique semi-double flowers and ruffled centres in stunning pink-purple shades. Flowers appear from winter and continue through to early spring. With a vigorous, evergreen form and tidy growth habit, this Hellebore is an easy-to-grow perennial. 'Tutu' is perfectly compact, making it a perfect addition to containers, raised beds and large-scale plantings.

## Features

- A new variety of highly unusual flower colour and formation
- Unique semi-double pink to purple flowers with pleated centres
- Vigorous evergreen perennial with a tidy growth habit

## Uses

- Enjoy indoors for up to three weeks\* before planting in your garden
- Eye catching colour for winter borders
- Beautiful container displays
- Colour to brighten up shady nooks
- Cut flowers make a great addition in your home

## Care

Plant in any soil that is well draining. Tidy after flowering by removing old flower heads. If growing in containers or full sun, care should be taken not to allow to dry out completely. For best results, feed in late autumn and spring with a slow release fertiliser before and after flowering.

CAUTION: Harmful if eaten/skin irritant

\*Performance indoors will vary due to conditions within each environment.
