

LAVENDER

'THE SILVER PRINCESS'

SHIMMERING SILVER WITH CANDY PINK

Super-sized dusky pink wings dance above the shimmering silver leaves of this stand-out lavender selection. Heat and cold tolerant and a magnet for people and pollinators alike, this lavender represents a break-through in lavender breeding combining the silver-grey foliage with large candy-pink flowers, it's almost too good to be true.

FEATURES

- Outstanding flower and foliage colour combination
- Repeat flowering after spring flush
- Neat and compact silver foliage
- Easy and long-lasting flower show

USES

- A fine plant for containers and feature planting
- Spectacular flower colour show for borders and path edges
- Water wise and sunny gardens
- High impact low informal hedges
- Rockeries and coastal gardens

CARE

Low to medium water requirements. Tolerates dry spells but will appreciate a soak during extended dry periods. Remove spent flower heads to encourage further displays. Fertilise in late winter for optimum results. Prune after flowering and again at the start of autumn for best results.
