

LAVENDER

'THE SNOW PRINCESS'

SNOWY WHITE-WINGED FLOWERS

A robust and fast-growing selection with spectacular clear white wings that sit beautifully above compact and well-behaved foliage. The stylish combination of white flower spikes and bracts with grey-green foliage makes this an ideal selection for formal gardens, pot displays and landscapes.

FEATURES

- Masses of pure white flowers covering the whole plant
- Repeat flowering after spring flush
- Neat and compact grey-green foliage
- Easy and long-lasting flower show

USES

- A fine plant for containers and feature planting
- Spectacular flower colour show for borders and path edges
- Water wise and sunny gardens
- High impact low informal hedges
- Rockeries and coastal gardens

CARE

Low to medium water requirements. Tolerates dry spells but will appreciate a soak during extended dry periods. Remove spent flower heads to encourage further displays. Fertilise in late winter for optimum results. Prune after flowering and again at the start of autumn for best results.
