

1. Antirrhinum SNAP IN BLACK™ Hot Pink
2. Antirrhinum SNAP IN BLACK™ Pale Pink
3. Antirrhinum SNAP IN BLACK™ Raspberry
4. Antirrhinum SNAP IN BLACK™ Apricot

These plants are registrable plant varieties under section 43(6) of the Plant Breeders Rights Act 1994.

 Height 40cm  
 Spread 40cm

## FEATURES:

- Evergreen, perennial varieties of snapdragon with dramatic black colouring of new foliage
- A compact habit ideal for flower borders and containers.
- Heavy flowering in spring with repeat blooming during the year.
- Easy to grow and fast results.

## SUGGESTED USES:

- Containers and general garden use.
- Mass plant for high colour impact in sunny mixed borders.
- Attracts pollinators.

## CULTURAL CARE

Grows well in most soil types which are moist but well draining - does not like to sit in wet conditions for long periods of time.

Prune to shape after a main flowering flush to encourage a dense habit.

Apply a slow release fertiliser during spring.

Mulch well to help retain moisture during dry periods.

Fertilise regularly if grown in containers.
