## FEATURES:

- A compact and dry tolerant hybrid with colourful foliage for year round interest.
- Foliage comprises of dark, plum coloured rosettes with lime coloured centres holding its deep colour well, even through winter.
- Waterwise landscape selection.
- Easy and fast to grow in garden or container.

## SUGGESTED USES:

- Containers or general garden use.
- Accent feature in mixed borders and gravel style gardens.
- Adds textural interest as well as colour to small garden spaces such as balconies, decks and paved entertainment areas.
- Small or narrow spaces.

## CULTURAL CARE

Grows well in most soil types which are well draining. Aeoniums will tolerate cool, frost-free regions over winter if kept dry. No pruning is generally required. Apply a slow release fertiliser during early spring.
