WATER WISE

FEATURES:

- A compact form with very dark coloured, ornamental foliage year round.
- Foliage forms a branching mound of deep purple/black coloured rosettes.
- Easy to grow, dry tolerant and very low maintenance.

SUGGESTED USES:

- Containers or general garden use.
- Accent feature in mixed borders and gravel style gardens.
- Adds textural interest as well as colour to small garden spaces such as balconies, decks and paved entertainment areas.
- Small or narrow spaces.

CULTURAL CARE

Grows well in most soil types which are well draining. Aeoniums will tolerate cool, frost-free regions over winter if kept dry. No pruning is generally required. Apply a slow release fertiliser during early spring.
