PLANT

FEATURES:

- Generous displays of dainty, vibrant purple flowers from spring to summer.
- Easy to grow with fast results.
- Neat, low doming habit and reliable performance in most soil types.
- Attracts many types of pollinators.
- Easy to grow and water wise for small spaces

SUGGESTED USES:

- Plant in groups for large blocks of colour or along edging of paths and paved areas.
- Containers, baskets or general garden use.
- Cottage and wild flower style gardens.
- Perfect for rockeries or gravel gardens.

CULTURAL CARE

Grows well in most soils which are well draining.

Low water requirements once established.

Pruning generally not required other than a light trim to shape if required.

Feed with slow release fertiliser during spring.
