

 Height: 40cm  
 Spread: 1m

## FEATURES:

- Ornamental foliage of mint green reaches upwards to reveal silvery white undersides.
- A lengthy flowering display begins from late winter continuing through to early summer.
- Flowers of bright pink with central burnt orange markings add cheerful colour to the cooler months.
- Tolerant of dry conditions once established.

## SUGGESTED USES:

- Mass plant low maintenance areas.
- Fast results for new gardens.
- Will spill over retaining walls and embankments.
- Suitable for containers or general garden use.

## CULTURAL CARE

Low maintenance and easy to grow. Dry tolerant once established requiring only occasional long soak during extended periods of heat. Grows well in most soil types which are well draining. No pruning is required. Feed in late spring with a slow release fertiliser.
