Height: 15cm
Spread: 40cm

FEATURES:

- Forms a tight, tufted mound of burgundy coloured, grass-like foliage for year round interest.
- Mass display of round, deep pink flowers throughout spring.
- Low maintenance and easy to grow.
- Dry tolerant once established.

SUGGESTED USES:

- Narrow or small spaces.
- Edging garden beds, paths, drives etc.
- Containers.
- Rockeries, mixed borders and general garden use.
- Fast results for new gardens.
- Coastal regions.

CULTURAL CARE

Grows well in full sun in most soil types given good drainage. Low watering requirements withstanding some dryness but should be watered regularly during extended periods of heat. No pruning required although trimming off spent flowers will encourage further flushes. Apply slow release fertiliser in late spring for best results.
