LONG FLOWERING

### FEATURES:

- A dense, shrubby perennial with glossy, deep green foliage year round.
- Prolific display of fuchsia-like flowers of pink to red year round.

### SUGGESTED USES:

- Bring colour to low light areas.
- Suitable for containers or planted into a mixed border.
- Suitable for small gardens or spaces.

### CULTURAL CARE

Performs best in moist, well draining soils.

No pruning is generally required.

Apply a slow release fertiliser during spring for best results.

Will tolerate hot, humid conditions.

Protect from frost and very strong afternoon sun.
