

Begonia foliosa FANCY PANTS

 Height: 80cm
 Spread: 60cm

FEATURES:

- A dense, shrubby perennial with glossy, deep green foliage year round.
- Prolific display of fuchsia-like flowers of pink to red year round.

SUGGESTED USES:

- Bring colour to low light areas.
- Suitable for containers or planted into a mixed border.
- Suitable for small gardens or spaces.

CULTURAL CARE

Performs best in moist, well draining soils.
 No pruning is generally required.
 Apply a slow release fertiliser during spring for best results.
 Will tolerate hot, humid conditions.
 Protect from frost and very strong afternoon sun.
