

Ceanothus 'Blue Pacific'

Height: 3m
Spread: 3m

FULL SUN

PART SHADE

MIXED BORDERS

WATER WISE

COASTAL

FEATURES:

- Prolific display of exceptional, intense blue flowers in late spring.
- A hardy and fast growing shrub which is dry tolerant once established.
- Low maintenance and easy to grow..

SUGGESTED USES:

- Can be used as an informal hedge.
- Ideal for low maintenance areas.
- Fast growing for new gardens.
- Great for coastal zones tolerating salt laden winds.

CARE:

Grows well in most soil types given good drainage. Low watering requirements tolerating dryness but should be watered regularly during extended periods of heat. Pruning generally not required but can be clipped to shape if desired.

Apply slow release fertiliser during spring for optimum results.
