

Campanula hybrid 'Viking'

 Height 50cm
 Spread 50cm

FULL SUN

MIXED BORDERS

LONG FLOWERING

FEATURES:

- A prolific display of large, trumpet-shaped flowers of lilac to purple colour appear from late summer into autumn.
- Upright habit - non spreading forming a neat and compact mound.
- Easy to grow with reliable garden performance.

SUGGESTED USES:

- Lightly shaded gardens.
- Excellent in containers.
- Small gardens and general garden use.

CULTURAL CARE

Grows well in most soil types which are moist but well draining. Can be grown predominantly in full sun when given protection from hot afternoon sun. Remove older foliage once flowering finishes and new growth appears in spring to tidy appearance.

Apply a slow release fertiliser during spring. Mulch well during periods of extended heat to help keep moist.
