

DIANTHUS

# 'SUGAR PLUM RASPBERRY'

EXQUISITE FRAGRANCE

*This new selection is an outstanding discovery from the stylish and great performing Whetman variety, Dianthus 'Sugar Plum'. The flowers are a bright Raspberry, and the flower power and performance is impressive. The dark crimson coloured buds make an outstanding feature which complements the blue-grey foliage. A high impact container and garden performer. Another fantastic and deserved addition to the market leading, Scent First collection of new aged Dianthus.*

## FEATURES

- Evergreen and hardy without any special needs
- Heavy flowering in spring
- Repeat blooming\*
- Beautiful colours and wonderfully perfumed flowers
- Compact and free flowering
- Cut flowers last well for floral arrangements

*\*If care instructions are followed and conditions are suitable*

## USES

- Container displays
- Small gardens, patios and courtyards
- Fragrance for entertainment areas and entrances
- Ideal for low edging around garden beds or paving
- Mass plant as a ground cover
- Great for rockeries and filling small gaps in perennial borders

## CARE

Low maintenance and easy to grow, once established, quite dry tolerant requiring only occasional deep watering during extended periods of heat. Apply a slow release fertiliser during early spring. No pruning generally required although removing spent flower stems will encourage repeat blooming.
