

DIANTHUS

'COCONUT SUNDAE'

HIGHLY FRAGRANT • LONG FLOWERING

Offering nothing short of outstanding garden performance, 'Coconut Sundae' is part of the Scent First Collection, this variety delivers everything we love about 'garden pinks', including fantastic colour and fragrance but with the real bonus of long-term garden results. Whilst it rewards you with gorgeous colour and whimsical perfume, it will also thrive under a wide range of garden conditions.

FEATURES

- Wonderfully fragrant
- Cut flowers last well for floral arrangements
- Evergreen and hardy without any special needs
- Will repeat bloom if spent flowers are removed
- Heavy flowering in spring over an extensive period

USES

- Container displays for lengthy colour
- Small gardens, patios and courtyards
- Fragrance for entertainment areas and entrances
- Ideal for low edging around garden beds or paving
- Great for rockeries and filling small gaps in perennial borders

CARE

Low water requirements. Once established, quite dry tolerant requiring only occasional deep watering during extended periods of heat. Low maintenance and easy to grow. Apply a slow release fertiliser during early spring. No pruning generally required although removing spent flower stems will encourage further flushes.

ORIGIN: United Kingdom // **SPECIES:** *Dianthus x allwoodii* // **PROTECTION STATUS:** PBR Protected
