

CAREX

'MOON FALLS'

SOOTHING CASCADE OF FOLIAGE

Enjoy soothing cascading displays in the garden with Carex 'Moon Falls'. The foliage features clear, variegated leaves that keep their colour year round. This tidy maintenance free and compact ornamental grass is perfect for mass plantings and border displays. With excellent garden performance and durability, 'Moon Falls' can be enjoyed in even the most difficult areas to grow plants in the garden. Create a mesmerising and calming atmosphere with the flowing cascade from Carex 'Moon Falls'.

FEATURES

- Reverse variegation compared to 'Feather Falls'
- Low maintenance garden plant
- Coastal, drought, frost and heat tolerant
- Low water requirements
- Looks great year round

USES

- Lovely cascading displays for containers and raised beds
- Difficult sites such as dry spots and seaside properties
- Border displays
- Waterwise landscape designs

CARE

Low water requirements and dry tolerant once established. Grows best in most soils but prefers a well draining soil. No pruning required due to naturally clean and compact habit.
