

LAVANDULA

'THE KING'

THE CROWNING JEWEL

Introducing LAVINNOVA® Lavandula 'The King' the newest addition to the famous LAVINNOVA® Lavandula Royal Collection. 'The King' showcases rich purple flowers with extra large wings (bracts) that cover the entire plant. Blooming from spring with spot flowering in summer and blooming again in autumn, 'The King' is a low-maintenance variety that offers months of colour. It is both frost and heat-tolerant, ensuring stunning displays with minimal care. Ideal for low hedges, borders, containers, or mixed landscapes, 'The King' brings a vibrant, full-bodied splash of colour to any setting.

FEATURES

- Deep rich purple flowers that cover the plant
- Repeat flowering after spring flush
- Neat and compact grey-green foliage
- Easy and long-lasting flower show
- Australian Bred

USES

- Spectacular flower colour show for borders and path edges
- Water wise and sunny gardens
- High impact low informal hedges
- Vegetable gardens to cottage garden designs

CARE

Once established, it has low water requirements. It tolerates dry spells but will benefit from deep soakings during extended periods of heat. Remove spent flower heads to encourage further flora display. Fertilise in late winter for optimum results. Best grown in humus-rich, free-draining soil.

ORIGIN: Victoria, Australia // **SPECIES:** *Lavandula pedunculata* hybrid // **PROTECTION STATUS:** PBR Protectable
