

*Veronica ornata monjuschko* 'Ornate Silver'

 Height 50cm  
 Spread 80cm

## FEATURES:

- Ornamental silvery foliage all year round.
- A prolific display of violet-blue flower spires are produced in autumn.
- Very low maintenance and water wise.
- Attracts many types of pollinators.

## SUGGESTED USES:

- Containers or general garden use.
- Soften edging around paved areas and front of garden borders.
- Plant small groups together around landscape to provide bright accents.

## CULTURAL CARE

Grows well in most soil types which are well draining. Watering requirements are low once established requiring only occasional deep watering over extended periods of heat. Remove flower stems to promote further flushes and to maintain a neat habit.
