CREEPING GREENIE  
*Glechoma hederacea*

Spreading ground cover  
or trailer

## FEATURES:

- Ornamental foliage ideal as a ground cover, cascading over walls or for hanging baskets.
- Dainty purple coloured flowers appear throughout summer.
- Forms tidy carpet of foliage which will cascade over rocks and walls.
- Fast growing, low maintenance and easy to grow.

## SUGGESTED USES:

- Excellent ground cover for shady areas but will also tolerate some sun.
- Mass plant as ground cover for low maintenance areas.
- Suitable for rockeries, embankments, containers and basket use.

## CULTURAL CARE

Grows well in most soil types given good drainage. Low watering requirements tolerating dryness but should be watered regularly during extended periods of heat. Pruning generally not required. Apply slow release fertiliser during spring for best results.
