FEATURES:

- A prolific display of purple/pink flowers cloak foliage from late spring through early summer.
- Evergreen, dense mat forming foliage ideal for covering large areas or for cascading over embankments.
- Fast and easy to grow.

SUGGESTED USES:

- Retaining walls or embankments, rockeries.
- Containers or hanging baskets.
- Fast growing for new gardens.
- Small or narrow spaces.

CULTURAL CARE

Grows well in most soil types which are moist but well draining. Once established, quite dry tolerant requiring only occasional long soaks during extended periods of heat. Low maintenance - apply a slow release fertiliser in spring to encourage profuse flowering. No pruning is generally required.
