

Magical Revolution is a game-changer that breaks all the rules: a revolution indoors and out. A revolution for gardeners and home decorators, bringing garden beauty into the home. Flowering continuously for up to 150 days with a magical colour transformation from pastel pink or blue, through to deep burgundy, this is a plant that really performs - indoors and in the garden. A living bunch of flowers, perfect on the kitchen bench and will outlast any cut flowers by months and months. Equally happy outside, Hydrangea 'Magical Revolution' has improved resistance to sun, frost, rain and all the elements.

FEATURES

- Proven 150 days of flowering
- Indoor / outdoor plant
- Unique flower colour transformation
- Compact plant form
- Compact and long-lasting flower heads

USES

- Indoor flowers for colour
- Perfect patio and courtyard flowers
- Containers
- Long-lasting garden bed display
- Garden feature, ideal for entrances and pathways

CARE

In containers use good quality potting mix and keep the roots moist. Outdoors plant or position in a partially shaded spot where the soil stays moist. Indoors, keep away from heat sources and place outside in the winter months to rejuvenate and ensure full flowering in the warmer months. To keep initial flowers blue, apply powdered sulphur once a year in early spring.

CAUTION: Harmful if eaten/skin & eye irritant

ORIGIN: Europe // **SPECIES:** *Hydrangea macrophylla* // **PROTECTION STATUS:** PBR Protected
