MIXED BORDERS

FROST TOLERANT

FEATURES:

- Ornamental ground cover for shade to dappled light locations.
- Flower spikes appear from late spring through to autumn.
- Forms a low mound of attractive foliage with silvery white leaves edged in green.
- Will cascade over rocks or walls.

SUGGESTED USES:

- Adds brightness to low light areas.
- Flowers in shade.
- Containers or hanging baskets.
- Soft edging for shady paths.
- Embankments, rockeries and retaining walls.
- Small spaces.

CULTURAL CARE

Grows well in most soils that are moist but well draining. Do not allow to dry out over extended periods of heat. No pruning required although a light trim can be given during early spring to shape. An addition of a slow release fertiliser in spring recommended. Frost tolerant.
