 Height: 1.5m  
 Spread: 2m

## FEATURES:

- Beautiful coloured foliage year round.
- Showy display of intriguing tasseled flowers during spring and autumn.
- All maintain a naturally dense, domed habit.
- Vigorous growth and hardy for most situations.
- Easy to grow with minimal maintenance.

## SUGGESTED USES:

- Stunning feature specimen in landscapes providing both structure and colour year round.
- Long season of interest for entertainment areas.
- Informal hedging or mass planting larger areas.
- Contemporary or cottage style gardens.

**CULTURAL CARE:** Grows well in most soils which are well draining. Once established water requirements are low but do not allow to dry out over extended periods of heat. No pruning generally required other than shaping to style. Apply a slow release fertiliser after flowering for best results.
