

Limonium perezii PEREZII BLUE

Height 60cm
Spread 40cm

FULL SUN

PART SHADE

CONTAINER

MIXED BORDERS

CUT FLOWER

DRY TOLERANT

COASTAL

FEATURES:

- Very hardy and outstanding perennial for water wise gardens.
- Tall clusters of tiny, deep mauve flowers are produced throughout much of the year.
- Ornamental foliage is evergreen and forms an attractive, rounded mound.
- Can be mass planted for low maintenance areas or low, edging borders.

SUGGESTED USES:

- Flowers are terrific for use in both fresh or dry floral arrangements retaining their colour over a long period.
- Containers, small or narrow spaces.
- Embankments, rockeries and retaining walls.
- Coastal zones and poolside landscaping.

CULTURAL CARE

Performs best in a full sun position in most soil types which are well draining. Apply a complete fertiliser during early spring and remove spent blooms after main flowering to tidy and encourage further displays.
