

Nemesia 'Evening Dusk'

This plant is a registrable plant variety under section 43(6) of the Plant Breeders Rights Act 1994.

 Height 30cm
 Spread 60cm

FEATURES:

- Beautiful selection providing a prolific display of fragrant flowers from autumn through to spring.
- Neat, mounding habit for garden and container use.
- Great colour selections for brightening the cooler months.
- Easy to grow perennial variety.

SUGGESTED USES:

- Containers or mixed garden borders.
- Decorative effects when planted in groups of 2-3 plants.
- Fragrance and colour for entertainment areas.
- Colour for the cooler months.
- Low edging along paths and drives.
- Flowers last well cut for posies.

CULTURAL CARE

Prefers a full sun location in most soil types which are moist but well draining. Prune by half and apply slow release fertiliser after main flowering flush to promote a neat habit and further displays. Mulch well to help retain moisture during warmer months. An application of a slow release fertiliser after flowering would be beneficial to overall performance.
