CONTAINERS

FEATURES:

Selected for its easy care, low maintenance and high impact foliage. This stunning evergreen plant has lush lime green foliage year round. The new foliage creates an explosion of lemon tones fading to lime green as they age. No pruning is required to maintain the neat natural shape.

- Compact, evergreen form with tight habit.
- Extremely versatile and tolerant of a wide range of growing conditions.
- Great for small gardens or spaces.

SUGGESTED USES:

- Colour accent against dark green foliage.
- Decorative containers for decks and patios.
- Informal hedging and mass planting.
- Containers and general garden use.

CULTURAL CARE

Water requirements are medium once established. Grows well in most soil types which are well draining. No pruning generally required.
