

Nemesia 'Easter Bonnet'

FEATURES:

- A prolific display of soft lilac and buttery lemon coloured flowers from autumn through to spring.
- Flowers are beautifully fragrant and cloak the neat dome of foliage at peak of display.
- Easy to grow and ideal for containers or general garden use.

SUGGESTED USES:

- Containers or mixed garden borders.
- Decorative effects when planted in groups of 2-3 plants.
- Fragrance and colour for entertainment areas.
- Colour for the cooler months.
- Low edging along paths and drives.
- Flowers last well cut for posies.

CULTURAL CARE

Low maintenance and easy to grow in most soil types which are moist but free draining. Prune by half and apply slow release fertiliser after main flowering flush to promote a neat habit and further displays. Mulch well to help retain moisture during warmer months.
