Osteospermum hybrid
DAISY CHAIN Burgundy

 Height: 20cm
 Spread: 1m

FEATURES:

- A prolific display of deep burgundy red coloured flowers from mid spring through to autumn.
- Naturally neat and compact habit.
- Easy to grow and fast results in gardens or containers.

SUGGESTED USES:

- Containers or general garden use.
- Mass plant in low maintenance areas or filling spaces in mixed borders.
- Attracts pollinators.
- Fast results in new gardens.

CULTURAL CARE

Grows well in most soil types which are moist but well draining.

No pruning is generally required although a light trim after a main flowering flush will encourage further displays.

Apply a slow release fertiliser during spring.

Mulch well to help retain moisture during dry periods.

Fertilise regularly if grown in containers.
