FEATURES:

- Ornamental fern-like foliage year round of golden colour with streaks of cream & green.
- During the cooler months foliage becomes blushed with pink.
- Loose sprays of mauve coloured flowers appear from early spring through to late autumn.

SUGGESTED USES:

- Great for containers and small spaces.
- Ideal for mixed perennial borders.
- Bright colour for low light areas.
- Fast growing for new gardens.

CULTURAL CARE

Low maintenance and easy to grow. Grows well in most soil types given good drainage but performs best in a moist, fertile soil. Do not allow to dry out over extended periods of heat. No pruning generally required. Apply a slow release fertiliser in spring for optimum results.
