FOLIAGE PLANT

BASKETS

## FEATURES:

- Ornamental fern-like foliage year round.
- Loose sprays of soft mauve coloured flowers appear from early spring through to late autumn.

## SUGGESTED USES:

- Great for containers and small spaces.
- Ideal for mixed perennial borders.
- Colour for low light areas.
- Fast growing for new gardens.

## CULTURAL CARE

Low maintenance and easy to grow.  
Grows well in most soil types given good drainage but performs best in a moist, fertile soil. Do not allow to dry out over extended periods of heat.  
No pruning generally required other than to tidy. Apply a slow release fertiliser in spring for optimum results.
