

Sedum 'Desert Black'

 Height 50cm
 Spread 50cm

FEATURES:

- Stunning dark foliage variety of sedum which is topped in summer with rose pink flower heads.
- Hardy and easy to grow - low maintenance.
- Pollinator friendly.

SUGGESTED USES:

- Water wise landscapes and general garden use.
- Containers, gravel gardens or rockeries.
- Courtyards or small gardens/spaces.

CULTURAL CARE

Grows well in most soil types which are well draining. No pruning is generally required other than to remove spent flower stems, if desired. Will become herbaceous in cold regions during winter - any remaining, older foliage should be removed by late winter to tidy. Apply a slow release fertiliser during spring for optimum performance.
