

SALVIA

# 'KISSES AND WISHES'

A GREAT PLANT FOR A GREAT CAUSE

PROUDLY SUPPORTING

Make-A-Wish  
AUSTRALIA

The 'Wish Collection' has a new addition; following in the trail-blazing foot-steps of 'Wendy's Wish', 'Love and Wishes' and 'Ember's Wish', this fine new Salvia is a long-flowering and compact plant, just like its cousins and extends the support this series provides for Make-A-Wish Australia. A great plant for a great cause.

## FEATURES

- Fuchsia-pink flowers keep on coming from summer to the end of autumn
- Neat and compact form
- Fast growing plant that responds well to tip-pruning
- Tough and easy-care plant for all Australian gardens
- Attractive to bees and butterflies

## USES

- Perfect for city and country flower gardens
- Spectacular and long-flowering pot plant
- Neat habit perfect for narrow garden beds
- Mass planting as a ground-cover with dramatic long-flowering impact

## CARE

Grows well in most soil types but thrives in fertile well drained soils. Prune by one-third after flowering to maintain shape and vigour or to encourage further flowering flushes. An application of slow release fertiliser in early spring is beneficial.

**ORIGIN:** United Kingdom // **SPECIES:** *Salvia buchananii* hybrid // **PROTECTION STATUS:** PBR Protectable
