

Verbena lilacina FRAGRANT VERBENA

 Height: 40cm
 Spread: 60cm

FULL SUN

PART SHADE

LONG FLOWERING

MIXED BORDERS

CONTAINERS

WATER WISE

POLLINATOR

FEATURES:

- A low growing, compact variety fabulous for filling spaces quickly.
- Long display of lilac, fragrant flowers for most of the year other than the coldest months.
- Pollinator favourite plant.
- Hardy, fast and easy to grow.

SUGGESTED USES:

- Ideal for containers and small gardens.
- Mass plant for a dramatic display
- Wild flower, cottage or natural style gardens.
- Attracts butterflies and other pollinators.

CULTURAL CARE

Grows well in most soil types given good drainage. Low watering requirements withstanding some dryness but should be watered regularly during extended periods of heat. Prune after main flowering flushes to tidy appearance and encourage more flowering.. An application of a slow release fertiliser in early spring would be beneficial to overall performance. Mulch well to help retain moisture during dry periods.
