

Verbena 'Purple Passion'

Spreading ground cover

FULL SUN

LONG FLOWERING

MIXED BORDERS

SPILL OVER

CONTAINERS

GROUND COVER

POLLINATOR PLANT

## FEATURES:

- A low growing variety fabulous for filling spaces quickly - mass plant for a dramatic display.
- Deep purple flowers from spring into summer.
- Will trail and spill over walls, rockeries and from hanging baskets..

## SUGGESTED USES:

- Ideal for containers and small gardens.
- Wildflower, cottage or natural style gardens.
- Attracts butterflies and other pollinators.
- Mass plant for colourful ground cover.

## CULTURAL CARE

Grows well in most soil types given good drainage. Low watering requirements withstanding some dryness but should be watered regularly during extended periods of heat.

No pruning required although trimming off spent flower stems will encourage a longer display.

An application of a slow release fertiliser in early spring would be beneficial to overall performance.
