

Viola hederacea 'Snowflake'

Spreading ground cover

FEATURES:

- Australian native violet.
- A prolific display of crisp white flowers from late winter through to late summer.
- Neat, mat forming, evergreen foliage.
- Easy to grow and ideal for small or narrow spaces.

SUGGESTED USES:

- Colour and fragrance for low light areas.
- Containers or general garden use.
- Naturalized in woodland settings/beneath trees.
- Edging or for front of mixed borders.
- Small or narrow spaces as well as filler between pavers.

CULTURAL CARE

Performs best in a moist soil which is well draining. Pruning generally not required. Apply a slow release fertiliser during early spring.
